

All Milestone MYGA rates increase April 20, 2022. Offer your clients rates as high as **3.50%**

This is a great opportunity to offer your clients more growth potential with principal protection and no market risk. Consider a MYGA laddering strategy, featuring a series of staggered MYGA guarantees for 3 to 7 years – which could offer your retired and risk-averse clients more accumulation opportunities than they might expect from CDs and other traditional retirement savings vehicles.
