

The growth clients want. The protection they need.

Tap into an array of benefits with a fixed annuity

Despite recent interest rate hikes, the national average five-year CD rate is just 0.43%.¹ If you have clients looking to earn more guaranteed interest, consider a flexible alternative.

A Safeguard Plus[®] MYGA from Farmers Life Insurance Company is a single premium deferred fixed annuity that offers predictable interest earnings for a specified time period.

Regardless of their savings timeline, clients can also benefit from:

- Protection from the market's ups and downs
- Tax-deferred growth
- Competitive interest rates that are locked in for the term they select
- Potential to leave a legacy to loved ones at death
- The opportunity to turn the asset into predictable lifetime income
- The ability to customize the policy for greater protection from life's "what ifs"²
