CL Life MYGA is a single premium deferred annuity. May not be available in all states. Policy form numbers and provisions may vary. Rates are guaranteed for 2, 3, or 5- years, depending on the guarantee period selected at policy issue and are subject to change. Within 30 days prior to the end of the Initial Interest Guarantee Period, we will send you notification informing you the date the Guarantee Period is ending and provide the renewal rate and Surrender Charges in effect for the subsequent Guarantee Period. Excess withdrawals are subject to a Surrender Charge and market value adjustments. The IRS may impose a penalty for withdrawals prior to age 59 ½. Most jurisdictions do not impose a premium tax on annuity premium payments. However, for those that do, we may deduct them from Your Contract when we need to pay them, which may be when you withdraw your contract value, when you start to receive income payments, or when a death benefit is paid. Check with your producer and other policy documents for specific information on premium taxes. All annuity features, risks, limitations, and costs should be considered prior to purchasing an annuity within a tax-qualified retirement plan. For transfers and 1035 Exchanges, rate lock will be extended 60 days upon receipt of application. Issue age for all deferred annuities is the age of the last birthday of the Owner. If joint owners, age of oldest determines commission payout.
