CONTINUATION OPTION

The one, two, and three-year contracts offer a 30-day window to continue the contract at a designated rate, while assuming the five-year withdrawal schedule, at the end of the initial term. During this window, clients can also withdraw the funds or transfer them into a new contract. The continuation rate (subsequent guarantee rate) for the one, two, and three year term is designated at the time of sale. For example, using the rates below, if a client purchases a 3-year guaranteed term at 5.15%, they will be given the option to continue their contract for two more years at 5.40% guaranteed! The rollover rates for each option are listed below.
